

REPEATER & REBROADCAST CABLE

SATCOM

SKU# CAB-REP-1

SC0007

OVERVIEW

Expand your communication capabilities with our 1-meter Repeater Cable, specifically designed for Leopard and Cheetah3 radios. Featuring Fischer S105A102 connectors on both ends, this custom-engineered cable allows you to create reliable repeater or rebroadcast systems, whether connecting Leopard to Leopard, Leopard to Cheetah3, or any combination.

KEY FEATURES

- **Custom Design:** Engineered in-house with a proprietary shielded cable for superior EMI resilience.
- **Rugged Durability:** Overmoulded construction ensures reliable performance in tough environments.
- **Versatile Application:** Enables repeater and rebroadcast functionality for extended communication range.
- **Seamless Integration:** Plug-and-play design with Fischer S105A102 connectors on both ends.
