

SMALL TRANSPORT CASE

SATCOM

SKU# CAS-S

AB1864

OVERVIEW

This hard case is engineered to withstand the toughest environmental conditions, offering reliable protection for your Cheeta3 radio. Built to be shock-proof, it ensures your equipment stays safe from impact, while its durable, weather-resistant design safeguards against dust, moisture, and extreme temperatures. Whether you're on the move or in the field, this rugged case provides peace of mind, keeping your radio secure.

- Waterproof capability up to a depth of 1 meter for 30 minutes. IP67 level protection.
- A robust construction with a fully customizable foam interior.
- Complete protection from dust.
- A manual pressure relief valve that enables gradual pressure equalization.
- Resistance to impact and shockproofing.
